You can carry a small Knapsack/ Day pack to carry your personal items with you.

LIMITED MONEY, IF YOU WISH

Inme takes care of all needs from the time we take charge of the participants, so no money is needed for meals, incidentals or kit items.

We do have a store on the campus and participants may like to buy memorabilia like T-shirts, caps, key chains etc. However, do not carry more than Rs 2500. Do note that participants are responsible for the same unless it is handed to the Instructor/Course Leader to be deposited in the campus safe.

NO JEWELLERY / EXPENSIVE CLOTHES / GADGETS

Do note that on outdoor and campus based programs there are many opportunities to lose and damage things. Inme does not take responsibility of any item like jewellery, gadgets or expensive clothes.

Participants may carry a camera that they can take care of themselves.

Please understand that we do not want you to purchase things unnecessarily. However, for a snow-based program, some of these items are essential. You can get all of the above mentioned things in stores like Decathlon and other online sellers. Most items should last and serve you long in the outdoors!
