

The Discover Program at Uroli is an 8-day residential program that engages children with outdoor and adventure activities, community living, and learning interactions for making them Life Ready.

Our Uroli campus is in the middle of a pine and oak forest in the Kumaon Himalayas. It is 27 km from the hill station of Ranikhet. Rock climbing faces, trek and hike routes and a multi element ropes course have been developed in and around the campus.

Participants are divided into four to five smaller groups of 15-18 members.. 3-4 Trained and experienced instructors (including lady instructors) take care of each group.

Participants select two activities from A) Rock Climbing OR Ropes Course and B) Wilderness Craft OR Back Packing and engage in them for three days each. Outdoor activities are conducted in the first half of the day. Post lunch, participants engage in sessions like initiative games, community service, environmental awareness and village visits. Late evenings are for informal events and campfires.

**First Timer [FT] Programs\*** - These 6-day programs are specifically for 9-11 year olds who are camping for the first time. It encourages them to step out of their comfort zone and explore the world of adventure and wilderness under the care of course leaders handpicked for their ability to work with and handle these young, first timers. Participants take part in four activities - Rock Climbing, Wilderness Craft, Back Packing, and the Ropes Course.

**Accommodation**

Tented - separate for boys and girls. Usually 4 - 6 children stay in a tent, with camping mats and sleeping bags provided by us. There are built up toilets and baths with flushing and running water.
