

The Discover Program at Tons is an 8-day residential program that engages children with outdoor and adventure activities, community living, and learning interactions for making them Life Ready.

Our Tons campus is set in Mora (near Purola) on the Tons river and is 180 km from Dehradun. It is surrounded by pine, deodar, oak, chestnut and rhododendron forest. Other than safe activity areas, the Tons river has excellent white water rafting stretches.

Participants are divided into four to five smaller groups of 15-18 members.. 3-4 Trained and experienced instructors (including lady instructors) take care of each group.

While everyone participates in rafting as the first activity, the second activity can be from Rock Climbing, Back Packing or Mountain Biking. These activities are conducted for three days each.

Outdoor activities are conducted in the first half of the day. Post lunch, participants engage in sessions like initiative games, community service, environmental awareness and village visits. Late evenings are for informal events and campfires.

Accommodation
In Tents - separate for boys and girls. Usually 4 - 6 children stay in a tent, with camping mats and sleeping bags. There are built up toilets and baths with flushing and running water.

Travel
New Delhi to Dehradun by AC bus leaving at 11 pm. Dehradun to campus is by non AC bus with breakfast en-route. Arrival at camp is by lunch time. The group returns by the same mode (with a dinner break) and reaches New Delhi by 5:30 am. Outstation participants have to reach Delhi on the departure day. Inme provides airport pick up and drop, meals and overnight accommodation facilities at an added cost.

Food / Meals
Wholesome nourishing meals prepared by trained staff. Largely vegetarian with option of eggs for breakfast and non-vegetarian dinners 2-3 times on the program. Other than breakfast, lunch and

dinner, snacks and refreshments are served at appropriate times with emphasis on hydration.

Instructors
A Campus Chief with a team of trained outdoor instructors (including lady instructors) run the program. We maintain a 1:5 adult-child ratio.

Weather
This area has cool and pleasant mornings and evenings with days becoming warm and occasionally hot (when the river and our pool help participants stay comfortable). Even when hot, upstream breeze in the late afternoon keeps temperatures in check.

Doctor and medical facilities
A resident doctor with basic medicines and facilities to attend to most needs. The closest hospital is in Purola which is 36 km (50 minutes) away. Parents must provide medical details at the time of registration.
