BOOKING FLIGHTS?

Participants Below 12 Years of Age

As per airline policy, children under 12 years of age travelling alone must be booked as unaccompanied minors through the airline.

Alternatively, Inme offers escorted travel on select flights for junior programs (10–12 and 11–13 years) at an additional cost of ₹2000. This helps avoid the airline's unaccompanied minor process. Please call us to check availability for your child's program and departure city.

Participants Aged 12 and Above

Participants should book flights based on their program location. For North India programs, flights should be to Delhi. For South India programs, flights should be to Bangalore, Chennai or Mysore, depending on the program departure and arrival timings.

For participants arriving on Inme's recommended flights, our team will receive them at the airport arrival terminal, accompany them to the program departure point, and drop them off at the airport departure terminal on the way back.

Booking Under Student Fare

If you are booking a ticket under a student fare, please ensure your child carries a valid school ID card. It is mandatory at the airport check-in counter.

Please note:

Please allow sufficient buffer time when booking onward and return flights. While we make every effort to stick to schedules, traffic and other delays can happen. Inme Learning Pvt. Ltd. will not be responsible for missed flights or onward connections due to such delays.
